

# Delta WT 250

## Technical Specifications

---

**Description:**

Industrial Multi-Pass printer

---

**Material:**

Variety of uncoated and coated corrugated- and fiber material

---

**Board size:**

min. A3 (297 x 420 mm) and max. 2500 x 3200 mm

---

**Resolution**

1000 dpi

---

**Productivity:**

measured with board size 2500 x 1600 mm

HD Production Mode 29 boards/h

Volume Production Mode 47 boards/h

---

**Print Heads:**

Durst Quadro Array

---

**Ink System:**

Durst Water Technology

---

**Colors:**

4, 6

---

**Board line:**

1044 mm

---

**Dimensions (L x W x H):**

7 x 5,9 x 3 m

---
